UNION RULES & REGULATIONS NORTHERN CALIFORNIA

I. SIGN, SCENE AND PICTORIAL PAINTERS LOCAL UNION (*DECORATOR*)

Local Unions have the jurisdiction for the erection, clean up, dismantling, repair and building of all exhibits. These exhibits can go from floor to ceiling, and include headers; floor covering of all kinds; aisle covering; hanging of decorative material from the ceiling; painting/hanging of all types of signs; pictorial and scenic paintings; changing electric lightbulbs in exhibits; repairing of all animation; hanging/mounting all electrical fixtures as long as they are part of the exhibit and not just rented for the immediate show.

An exhibitor is permitted to work with a union installer on a one-to-one basis provided that person is a permanent employee of the exhibiting firm. This rule does not mean casual workers or a worker hired from an employment agency or a non-union display or decorating company.

An exhibitor may install or dismantle his own exhibit providing it does not exceed ten feet in any direction, and the total time for installation of any of the above does not take more than *30 MINUTES FOR ONE PERSON TO COMPLETE*. This does not mean 15 minutes for two persons or ten minutes for three persons. If any of the work to be performed above requires more than 30 minutes for all or partial then the work must be done with the proper union personnel. This does not include putting out brochures and merchandise.

II. TEAMSTERS (*DRAYAGE CONTRACTORS*)

The teamsters are responsible for the loading/unloading of all trucks or trailers of common/contract carriers, as well as the handling of empty crates and the operations of fork lift trucks. They also have jurisdiction of the loading/unloading of individual company vehicles, other than the companies covered by the Sign, Scene, and Pictorial Painters local union.

III. UNION RULES GOVERNING CARTAGE (*DRAYAGE*)

An exhibitor may transport, across the exhibit floor, any amount that can be hand carried in ONE TRIP. Exhibitors MAY NOT USE their own hand trucks, pallet jacks, wagons nor any other wheeled device to transport their own exhibit materials across the exhibit floor. Representatives or stewards of the union will be on the floor during move-in and will be checking to see that all exhibitors comply with the above rules. The rules are uniform for all exhibit facilities in Northern & Southern California. Your cooperation in complying with the above guidelines created by the Convention Services Division of the Local Union is appreciated.

IV. RIGGERS (*HEAVY MACHINERY SHOWS ONLY*)

The riggers have the responsibility for unloading, uncrating, unskidding, leveling, cleaning, assembly of heavy machinery/equipment. Their jurisdiction also covers the reverse operations as outlined above for the removal of equipment.

V. ELECTRICIANS

The Electrical Union is responsible for supplying all feed wiring and electrical conductors to each exhibit, except where this service is provided by the building owner. This union will also be responsible for all other electrical work on exhibits that cannot be done by the exhibitor in a total time of 15 minutes.
